1. The following is an examiner's statement of reasons for allowance: the claims are allowable because the prior art of record fails to disclose or teach the recited step of leveling the product mix (claims 6, 14, 18, 24, 29, 39, and 44), or the step of depositing food particulates onto the product mix after spreading (claims 9 or 15), or heating the surface high enough to set the product mix (claim 11), or providing a tray below the forming cylinder and moving the tray to first and second positions (claim 20), or combining the product base and a gas in an aeration nozzle (claim 21), or providing a plurality of liquid containers above the rotary surface and selectively conducting liquid from the containers to the surface (claim 26).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William E. Tapolcai whose telephone number is (703) 308-2640. The examiner can normally be reached on Mon. - Thurs., 6:30 to 5.
